Message from the Principal

Dear Parents and Caregivers

We have come to the end of 2018 and what a fantastic year it has been. At Monday's Year 6 Graduation Ceremony and at Friday's Book Award Assembly we heard a snap shot of how the year had gone, it was exhausting just listening to all of the achievements and events that occurred during the year. Our sincere thanks go to all the staff, parents and students who made them all possible.

At the Book Award Ceremony class teachers presented two awards, one related to endeavour and one related to citizenship. Our congratulations go to all of the successful recipients. The words that the teachers had to say about each student meant as much as the book they received.

On Monday we had the presentation of Academic, Citizenship, Endeavour and Sporting Awards to our Graduating Year 6 students. The names of these award recipients are now proudly on display on our honour board. Again, our congratulations go to all of these students, and to all the graduating Year 6 students. It was lovely to hear their memories during their speeches on Monday. Special thanks go to the Year 6 teachers and education assistants for all their work in preparing the students for their graduation.

At the Book Awards Assembly the incoming Student Councillors, Faction Captains and Vice Captains were announced. Our congratulations go to these new student leaders, I am sure that they will carry out their duties in the same mature and diligent manner as the current Student Councillors, Faction Captains and Vice Captains have. Our thanks go to the outgoing student leaders for all they have done for Mindarie over the past year.

At Mindarie we aim to have many leadership opportunities for our Year 6 students. Students have an opportunity to be IT Coordinators, Library Monitors, PBS Student Leaders, Enviro Rangers and Peer Mediators. Year 6 teacher will be working with next year's Year 6 students to identify students with leadership aspirations.

Congratulations to our three amazing artists who had their pieces of art selected through the People Choice Award during our annual open evening. Rachel Hebden produced a beautiful painting in the style of Monet, Maddison Constantine created an amazing piece depicting a Kangaroo Paw and Neiva Powell created a collage featuring a bird. Mrs Gill took them to be turned into canvases and each artist signed them, they will now be on display in the administration area. Congratulations also go to Neiva who also won the Wanneroo City design a Sticker for the Bins competition. Well done Neiva.

The lead up to the end of the year has been a little bit more hectic than usual as we had Year 6 beach swimming for two weeks and then pool swimming for the Pre-Primary to Year 5 students. This has definitely put pressure on us as we do like to maintain the 'traditions' that are Mindarie, but sometimes time gets away from us. This happened at the Book Award Assembly. It has also meant that some events have had to be earlier than usual; one such event was the annual Nativity, presented by the Year 1 students. Once again they did a beautiful job retelling the story of Christmas. Huge thanks go to Mrs Parker, Mrs McLean and the entire Year 1 staff for making this happen.

Last week we were notified that the amazing piece of art work the students from Year 3 had been working on had been turned into an art installation in Catalina, Mindarie. It forms the structure for the playground rock climbing feature. Miss Dryburgh's class provided the creative inspiration for the artist and the students used themselves in the climbing tree as the art work. If you have a chance, go and have a look. The students in TA 27 went for a walk to the playground last Friday and reported that it was amazing to look at and even better to play on.

Special thanks at this time of the year go to all the parents who have supported students in any way around the school. In particular our thanks go to the P&C who provided the funding for our new area named 'Kala Boodjar' meaning colours country. This area was opened on November 29, Mr Kim Collard presented the acknowledgement of country and Tarrin and Indi led the opening ceremony. It is another positive addition to our school.

Mr Mick Self, P&C President and Board member hosted an introduction to the Fathering Project on November 26, he was blown away by the degree of support shown. This will be another wonderful opportunity for our school.

Parents may have noted that some classes have moved classroom, this is in preparation for 2019, we do not do it to confuse you but we do need to move furniture to suit the year levels being housed in those classrooms. Children are very resilient and they have all successfully adapted to finding their new rooms.

Whilst staff have been working on class lists for 2019 we are unable to post them at this time. The reason, we are a large school of 770 students, we have multiple classes at each year level and we have a statistically proven 16% student transience over a year, that means a movement of 115 students!! Already, since we have closed Kindergarten enrolments we have had eight students withdraw, eight more enter and five more added to a waiting list. This is the reality in a large school. If we were to post the lists now and then make changes people would get upset. I can however reconfirm that we do try to loop students with the same teachers at the year two to three level and the year four to five level. This is a sound educational practice and it gains the students in excess of six extra weeks of learning. There will be some movement of students, however, so you will still need to check class lists. Class lists will be available for you to check on Friday 1 February from 3pm onwards.

At this time of year we farewell staff who are leaving the school. First and foremost we farewell Mrs Blackford and Mrs Ross. Mrs Blackford has been at Mindarie for 9 years and with The Department of Education for 42 years and Mrs Ross has been at Mindarie for 14 years and with The Department of Education for 30 years. They take with them, into retirement, a wealth of expertise. We thank them for their service, they will be missed.

We are also farewelling Mrs Corr and Mrs Barnsley who are both taking a year's leave. We wish them happy travels and will see them back in 2020.

Ms Doubikin will also be finishing at the end of the year, as will Mrs Duncan as their contracts have both finished. We wish them every success in their future careers as teachers. In addition we farewell Mrs Boardly and Mrs Osborne who are finishing their tenure as Education Assistants, we wish them every future success in their careers.

In conclusion, thank you to everyone for making 2018 another wonderful year at Mindarie. All the best to all of the students and families leaving this wonderful school. Have a safe and restful holiday period and we will see our students smiling faces back on February 4.

Kind regards

Barbara Bromley

Official Opening of Kala Boodjar Garden

“ Kala Boodjar, Colours Country is the name of Mindarie Primary Schools and my schools new open learning area, that encourages cultural reflection and inspiration.

The process of this beautiful space began in 2017. Mr Gould and my great teacher Sandy Blackford and our own school gardener Dennis have worked extremely hard on completing this area.

In Term 3 there was a drawing competition where each class had a different Aboriginal season to draw about. The winners of this competition got the exciting job of painting their designs onto six totem poles for the cultural area. These lucky winners had lots of help from the amazing Artist Jade Dollman.

We recently had an opening Ceremony to thank the people who helped and to admire the amazing area itself. The area turned out beautifully, it is full of bursts of bright colours, happiness and stunning plants that fit very well into the space. Our school is extremely pleased and happy with how this outstanding area has turned out!!”

Fathering Project

The Fathering Project launch two weeks ago was a huge success with over 40 dads/father figures turning up. Steven Rushford from The Fathering Project gave a great presentation and there was much discussion and a great deal of interest.

Steven did say that it was one of the most attended launches he has ever done.

Moving on from there, we did in fact have another meeting on Tuesday night to see how we go forward from here and what amazing things we can arrange for our first get together in 2019.

An amazing 18 Dad's turned up last night to our first meeting and it has been decided that our first activity will be on Saturday January 19th and it will be a fun Beach Day for dads and children with sausage sizzle at Quinns Beach.

BEACH FUN and sausage sizzle from 3pm Quinns Beach on Saturday January 19th.

Beach cricket, sand castle competition, soccer, footy, volleyball, swimming..... and fishing.

It is going to be "BCF" fun!!!!!!

Thanks to everyone who attended and remember you can attend any function at anytime.

TA29 and TA20 Buddy Class

It was our last buddy session for the year. We made paper lanterns and decorated reindeer cookies. We all enjoyed eating our cookies on the deck in the Early Childhood play area.

TA27 Artwork at Catalina Park

On Friday 7th December, the Year 3 students from TA27 visited Catalina Beach Park to view their artwork which has become part of a community art installation. The students began working on this project with artist Jahne Rees earlier in the year. The students felt very proud to see their artwork displayed in the community and had a great time playing in the new playground area. Thank you to the parent helpers who helped escort the students safely to and from the park.

Congratulations!

Congratulations to Neiva Powell for winning the bin sticker competition run through The City of Wanneroo. Neiva was presented with her poster at our Book Awards on 30 November.

“In July 2018, a young City of Wanneroo resident wrote a letter to the City wanting to design some bin stickers for bins around his local park to encourage people to do the “pick up three pieces of litter” to help keep our oceans and City clean. Following the success of this project, the opportunity to design a bin sticker to encourage the community to reduce litter was extended to all schools across the City of Wanneroo. Hundreds of entries were received from 14 schools across the entire City of Wanneroo, with designs submitted by children as young as 5 to as old as 15.

The City’s rubbish truck drivers then had the difficult task of choosing three ultimate winners from some very fantastic designs, with winners coming from Rawlinson Primary School, Tapping Primary School and Mindarie Primary School. These designs will be turned into bin stickers and placed on bins in parks this summer to remind everyone to do the right thing and put their rubbish in the bin.”

Congratulations to Iestyn, Dermott and Kyron who all competed in the Under 11's Centaurs Mini and Youth Tournament

An awesome Rugby 10's competition in Singapore for the mix of Joondalup Brothers and North Coast Boys playing in the U11's Centaurs Mini & Youth Tournament, Singapore. There were 5 countries involved, WA Clubs and boys from Palmyra, North Coast, Joondalup Brothers, Cottesloe and Nedlands. Our Under 11 hybrid North Coast/ Brothers lads rocked four wins from five on the first day in very hot and humid conditions. They ended second on the ladder ahead of finals on Sunday.

Sunday brought on a hard fought morning with a 14 - 0 loss to Hong Kong's Sandy Bay in the Semi Finals. However the boys regrouped and had a heart stopping last game including extra time to take out the 3rd place Plate Final winning against Singapore Lions 19 -12. What an awesome tour to see Rugby WA Juniors represented in these amazing fast paced 12 minute games.

Nativity Play

Our students in TA14, 15, 24 and 25 delighted us on Thursday 29, November with their Nativity play. It was fantastic to see every child had a part and a very special costume to wear. Hours of work go into making this play happen so a special thanks to Mrs Parker and Mrs McLean.

Meet The Board

Mick Self– President of the P&C and member of the School Board

“ My working career has been spent entirely within the textile industry, living and working across Asia, Europe and North America. I have worked within a variety of roles including Managing Director of a large mill in Vietnam. After semi-retiring I moved to Mindarie with my family. My current position allows me the flexibility to be involved within the school and community in a number of ways

- ♦ Coach of Under 11's Mindarie Soccer Club
- ♦ Play pennant tennis for Quinns Tennis Club

My three children all attend Mindarie Primary School and my wife is a teacher who specialises in working with children with special needs.

I have experience in attending numerous class excursions both in the local community, Singapore and overseas”.

CONGRATULATIONS

Mrs Lana Williams receiving her voucher for her overnight stay at Joondalup Resort, which was kindly donated by Mark Folkhard MLA . In order to be in with a chance to win next years prize, please pay your contributions as soon as possible.

Thank you.

RE: AQUARIUS BARRIER AT QUINNS BEACH – DELAYED RE-INSTALLATION

Unfortunately, there has been a setback on the delivery of one of the components that make up the Aquarius Barrier Gen 2, resulting in a delay in the installation by a few weeks, which means that we now should see the Barrier installed in January and we estimate that it will be in place before Australia Day.

Please know that the GME team are still doing everything in their power to get the Aquarius Barrier Gen 2 ready for installation as quickly as possible.

Installation is estimated to take 4-5 days but there will be work done on the beach to prepare for the installation during December.

We apologise for the inconvenience.

If you have any queries, please do not hesitate to give me a call on 9418 3311.

Occupational Therapy Clinic for Children

Maximising School Participation and Performance

Are you worried about your child's school performance?

Does your child have any of the following difficulties?

- Poor drawing, colouring and/or cutting skills
- Messy or slow handwriting
- Delayed motor skills
- Can't concentrate in class
- Has difficulty interacting with peers
- Doesn't enjoy kindy/school
- Becomes distressed in the classroom
- Can't keep up with work in class
- Teacher has concerns with child's learning or behaviour

OT @ ECU may be able to help your child

At the beginning of each school year, Occupational Therapy at ECU run groups at the Joondalup Community Clinical School located on site at Joondalup Health Campus. These student run groups are currently free of charge and aim to improve school participation and performance for children who are in the early years of primary school.

PROGRAM STRUCTURE

Your child will be offered a screening assessment in late January 2019. This assessment will be conducted by experienced paediatric occupational therapists and lecturers. If required, your child will be offered intervention in a group setting during term 1 or term 2, 2019.

The clinic usually offers the following groups:

- 1) **Ready, Steady, School** is a school readiness group for kindy and pre-primary students. Typically these groups run once a week for five weeks from 9:15-10:15am.
- 2) **Ready, Steady, Succeed** is a group that aims to develop essential school skills for children in years 1, 2 and 3. Typically these groups run once a week for five weeks from 3:30-4:30pm.

Each group runs for 1 hour per week 5 weeks.

HELPING ECU STUDENTS TO LEARN

Second-year ECU occupational therapy students work in the clinic with experienced clinicians. Participation in this program not only benefits you and your child, but also contributes to the education and experience of future Occupational Therapists.

IS MY CHILD ELIGIBLE FOR THIS SERVICE?

Your child is eligible if they are attending school in Western Australia in 2019 and are not registered with the NDIS or the Department of Communities, Disability Services.

HOW CAN I REGISTER MY CHILD?

Please e-mail an expression of interest to jccs@ecu.edu.au, and include the following information in the e-mail:

Parent Information

- Name
- E-mail address
- Contact Number

Child's information:

- Name
- Date of Birth
- School name and year attending in 2019
- Brief outline of difficulties that your child is currently experiencing
- Information regarding any previous therapy

WHAT IS THE NEXT STEP?

Once you have sent your expression of interest to clinic staff, you will receive an e-mail receipt and your child's name will be registered as a possible member of the groups. In January, you will be contacted for further information and, if eligible, your child may be offered an Occupational Therapy screening assessment prior to commencing the group program.

Please note: places are limited and therefore not all children will be accepted into the group program. Parents will be contacted in the order that they apply and therefore, you should register your interest today.

MORE INFORMATION

Please contact clinic staff on jccs@ecu.edu.au if you would like further information about these groups.
