Urgent - Online Services – Third Party Consent

Dear Parents and Caregivers

Mindaire Primary School provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Western Australian Curriculum.

Mindarie Primary School also utilises extra services to supplement and extend our students learning, offering access to students, parents and caregivers at home. **The services we use, are also in place to support student learning in case families need to implement Distance Learning in the home.**

What is different and why do we need this form? Prior to this year, we did not need parents to sign an extra permission form. Online usage was covered by our 'Students Online' form that parents complete at enrolment. In 2021, the Department of Education requires that we as a school, seek approval for each student to be enrolled in these programs and services. The Mindaire Primary School Administration Team have done explicit risk assessments on all the services that we use. This is on top of the rigorous assessment of all Third Party Providers by the Department of Education.

The following third-party services are being used in our school. (All links below are available from the Mindarie Primary School Website)

Matific

Mathematics Teaching and Learning.

Information Provided: Student name, learning data, form.

Where the Data is Stored: Outside Australia.

Terms of Use: <https://www.matific.com/au/en-au/home/terms/>

Scholastic Literacy Pro

Literacy Teaching and Learning

Information Provided: Student name, learning data, form.

Where the Data is Stored: Within Australia.

Terms of Use: <https://www.scholastic.com/privacy.htm>

These services require us to share some personal information about your child and require you to provide consent for each service before we do so. We require your consent in order to be able to provide access to these services for your child.

You can provide consent in one of two ways:

1. **Preferred Method:** The Qkr! app. A digital form has been added to the Mindarie Primary School Qkr! app. The Qkr! app remains our preferred method for all school based consent, payments, excursions and fees. If you haven't used Qkr! before, download it from the App Store on Apple devices, or the Play Store on Android devices.

Further Qkr! information is provided from on the Mindarie Primary School website.

2. **Non Preferred Method:** Complete this form and send it back to school ASAP.

We would like these forms back as soon as possible, so that we can provide students with login information and have our learning environment ready for whatever 2021 delivers.

Kind regards,

Barbara Bromley

Non Preferred Method of Return

Online Services – Third Party Consent

I provide consent for Mindarie Primary School to provide access, ongoing support and online credentials to these services for my child.
